

SUMMARY TABLES – CHARTS AND GIS MAPS

DESCRIPTION OF APPROPRIATE / NEED IMPROVEMENT / INAPPROPRIATE STATUSES

INDICATOR A . ACCESS TO WATER

- A** All components are adequate
- NI** Most components are adequate, only "Quality" is inadequate
- IA** Other combinations

COMPONENT 1 . **AFFORDABILITY**

- A** Household spends less than 10% of income on water.
- IA** Household spends 10% or more of income on water.

COMPONENT 2 . **SUFFICIENT QUANTITY**

- A** Household uses at least 20 liters of water (drinking + other uses), per day, per person.
- IA** Household uses less than 20 liters of water (drinking + other uses), per day, per person.

COMPONENT 3 . **EFFORT AND TIME**

- A** Private connection to water system (ManilaWater / Deepwell) piped to dwelling.
- IA** Household has to fetch or buy water.

COMPONENT 4 . **QUALITY**

- A** Underground connection of water pipe (or fetched water) + Clear and Pure water.
- IA** Inappropriate connection of water pipe / Unclear or Impure water.

INDICATOR B. ACCESS TO SANITATION

- A** All components are adequate
- NI** One component is adequate + One component needs improvement
- IA** Both components need improvement / All components are inadequate

COMPONENT 1 . **ACCESS TO SANITARY TOILET**

- A** Household has own flush/pour-flush toilet shared by no more than 2 families.
- NI** Adequate toilet shared by more than 2 families / Private alternative toilet.
- IA** No toilet / Alternative toilet shared by more than two families.

COMPONENT 2 . **SUFFICIENT SEWERAGE SYSTEM**

- A** Connection to appropriate septic system (all-concrete septic tank).
- NI** Connection to inappropriate septic system (semi-concrete septic tank or else).
- IA** No septic system.

INDICATOR C . SECURE TENURE

- A** All components are adequate
- IA** One or more component is inadequate

COMPONENT 1 . **DOCUMENTATION OF SECURE TENURE STATUS**

- A** Owner / Ownership process (with documents) for both land and house.
- IA** Stopped making payments / Do not have documents / Renter / Other status.

COMPONENT 2 . **DE FACTO PROTECTION FROM EVICTION**

- A** Household has not been evicted in the past 10 years.
- IA** Household has experienced eviction in the past 10 years.

COMPONENT 3 . **PERCEPTION OF PROTECTION FROM EVICTION**

- A** Household does not foresee the possibility of being evicted in the next 5 years.
- IA** Household foresees the possibility of being evicted in the next 5 years.

COMPONENT 4 . **ORGANIZING OF COMMUNITIES**

- A** Household is member *in good standing* of a community association for land and housing rights.
- IA** No community association / Not member of community association.

COMPONENT 5 . **AFFORDABILITY**

- A** Household spends less than 30% of income for land and housing.
- IA** Household spends 30% or more of income for land and housing.

INDICATOR D . DURABILITY OF HOUSING

- A** All components are adequate
- NI** Most components are adequate, only "Disaster Awareness and Preparedness" is inadequate
- IA** Other combinations

COMPONENT 1 . **NON-HAZARDOUS LOCATION**

- A** Housing lot location is safe and adequate.
- IA** Inappropriate or hazardous location.

COMPONENT 2 . **MATERIALS USED AND PROTECTION FROM EXTREME CLIMATIC CONDITIONS**

- A** House constructed from durable materials and not in need of major repairs.
- IA** House constructed with recycled or salvaged materials / Needs major repairs.

COMPONENT 3 . **COMPLIANCE WITH BUILDING CODES AND ORDINANCES**

- A** Construction complies with regulations.
- IA** Construction does not comply with regulations.

COMPONENT 4 . **DISASTER AWARENESS AND PREPAREDNESS**

- A** Household is aware of and prepared to face natural disasters.
- IA** Household does not have any knowledge or strategy about natural disasters.

INDICATOR E . SUFFICIENT LIVING SPACE

- A** "Overcrowding" component is adequate
- IA** "Overcrowding" component is inadequate

COMPONENT 1 . **OVERCROWDING**

- A** House and bedroom floor area large enough for everybody to dispose of at least 2 sq. meters + No more than 4 individuals sleeping in an open space.
- IA** Less than 2 sq. meters per person in house or bedroom / More than 4 individuals sleeping in an open space / Other conditions.

COMPONENT 2 . **ORDERLINESS**

- A** House and environment appreciated + Enough space for movement in the house.
- IA** House or environment not appreciated / Not enough space for movement in the house.

INDICATOR F . ENVIRONMENTAL MANAGEMENT

- A** All components are adequate
- NI** One component is adequate + One component needs improvement
- IA** Other combinations

COMPONENT 1 . **SOLID WASTE DISPOSAL**

- A** Appropriate waste management (composting / segregation / recycling).
- NI** Truck or push-cart collection only.
- IA** Garbage burning / Garbage thrown in sewer, river, vacant lot.

COMPONENT 2 . **DRAINAGE SYSTEM**

- A** Covered drainage system with sufficient capacity (no flooding).
- NI** Open drainage with sufficient capacity (no flooding).
- IA** No drainage / Other type of drainage / Insufficient capacity (flooding).

INDICATOR G . ACCESS TO OTHER SERVICES

Excellent	7 services
High	6 services
Good	5 services
Medium	4 services
Poor	3 or less services

COMPONENT 1 . **ELECTRICITY / FUEL**

- A** Private electricity connection + Cooking with appropriate fuel (LPG, kerosene, electricity).
- NI** Shared electricity connection + Cooking with appropriate fuel (LPG, kerosene, electricity).
- IA** No electricity connection / Cooking exclusively with charcoal or wood.

COMPONENT 2 . **EMPLOYMENT / LIVELIHOOD OPPORTUNITY**

- A** Presence of at least one livelihood program in the community.
- IA** No livelihood program in the community.

COMPONENT 3 . **HEALTH SERVICES**

- A** Proximity of health center + sufficient services available.
- NI** Proximity of health center + some services available.
- IA** No health center (or unknown) / Proximity of health center + One or zero service available.

COMPONENT 4 . **EDUCATIONAL INSTITUTIONS**

- A** Presence of public elementary and high schools.
- IA** Absence of public elementary and high schools.

COMPONENT 5 . **MARKETPLACE**

- A** Presence of public/private/community marketplace near residence.
- IA** No marketplace / Vendors only.

COMPONENT 6 . **TRANSPORTATION AND ROAD SYSTEM**

- A** Adequate public transport (bus, train, jeep, fx, pedicab) + Sufficient road system + 24 hours service.
- IA** No adequate public transport (only tricycle or taxi) / Insufficient road system / Part-time service.

COMPONENT 7 . **PEACE AND ORDER**

- A** Community not perceived as dangerous + Presence of emergency vehicle + Presence of barangay patrol or police.
- IA** Dangerous community / No emergency vehicle / No barangay patrol or police.

H .PERCEIVED PRIORITY OF PROBLEMS

Ranking	1 Most important priority
	8 Least important priority
