

## **SAFRAGEMC - TECHNICAL ASSISTANCE FOR PROJECT PLANNING, FEASIBILITY, AND FUND SOURCING**

October 2004 - 2005

ALTERPLAN provided technical assistance for project planning, feasibility, and fund sourcing to the San Francisco government employees multi-purpose cooperative (SAFRAGEMC) to implement the second stage of phased land development and house construction. The total land area targeted for complete site development in 2006 is 5.6 hectares, enough for 170 co-op members. SAFRAGEMC is located in San Francisco, Agusan del Sur.
